HAMPTON ROADS WORKFORCE COUNCIL
REVISED PROGRAM YEAR 2019 BUDGET
APRIL 15, 2020

The Hampton Roads Workforce Council (Council) is requesting approval by the Executive Committee of the Hampton Roads Workforce Development Board of a revision of the Program Year 2019 Council budget. After these revisions, the total budget of the Council increases by $201,856 to a new total of $7,509,768.

The proposed revisions are as follows:

REVISION # 1 – WIOA FUNDING - VIRGINIA RAPID RESPONSE COVID-19 BUSINESS SUPPORT INITIATIVE

The Hampton Roads Workforce Council has received an award of $201,856 in WIOA Dislocated Worker Rapid Response Funds through the Virginia Community College System. The purpose is to assist businesses to avert layoffs by reimbursing them for certain expenses they have incurred during the COVID-19 national emergency that likely enabled them to remain open for business. Examples are supplies or expenses to sanitize the work area and for technology to allow remote work. The funding allows for reimbursement of expenses incurred for the period March 1, 2020 through August 31, 2020. The details of the process to be used to get the funds to the businesses are currently in development and a report will be issued to the Committee and the Board when completed. As prescribed by the VCCS, the funding can only be used for reimbursement to businesses, with no funds available for administration or indirect costs.
