Because of the Coronavirus (COVID-19) Emergency and State and Federal bans on large meetings or gatherings and pursuant to Governor Northam’s Executive Order 53 issued on March 23, 2020 prohibiting all public and private in person gatherings of 10 or more individuals, the Executive Committee meeting scheduled for May 20, 2020 at 9:00 a.m. will be held electronically instead of a public meeting open for the public to attend in person. The dial in information is below:

Meeting ID: 854 1722 5294

Members of the public may virtually participate in the meeting by utilizing the above login information or dialing 1-929-205-6099 and using Meeting ID: 854 1722 5294. Minutes of the HRWC meetings will be transcribed and posted on the Hampton Roads Workforce Council website.

Per the opinion of the Attorney General, the meeting agenda will be constricted to avoid non-essential activities. A roll call will be conducted once the meeting is called to order by Chairman Mark Johnson so that an accurate record is made of HRWC members attending and a quorum can be determined. Chairman Johnson will then provide a brief overview of guidelines on how the meeting will be conducted.

The current meeting agenda items that will require a formal vote by Executive Committee members as of this writing include:

1. Approve minutes from the meetings held on February 27, 2020 and April 15, 2020
2. Consideration of PY19 Budget Revisions and PY20 Proposed Budget
3. Consideration of PY20 Youth Programs
4. Approval of the Waiver to Continue to Provide Career Services at VCW
5. Extension of the Workplace One-Stop Contract

The following guidelines for members of the Executive Committee and Participants are intended to make this virtual meeting effective and productive:

1. Executive Committee members and members of the public are asked to announce themselves before speaking. Members of the public can ask questions and share comments on specific agenda items and make general comments under the public comment item section on the agenda.
2. When not speaking, consider placing your computer microphone or telephone on mute to avoid background noise that will resonate.
3. When a vote is requested, a roll call of members will be required. This will allow staff to confirm each vote taken or if a member chooses to abstain from voting on an item due to a conflict of interest.
